

THE PRACTICE

Arg Beyn is a 100% small animal practice on the beautiful Isle of Man. We invest in our staff to facilitate them to be the best that they can be and have a great support team of qualified, experienced staff and certificate holders. We work hard but make sure we have fun along the way!

We are proud to be Gold standard ISFM and Silver RWAf accredited. Our 'aim' at Arg Beyn is 'to provide veterinary excellence on the Isle of Man'. The practice is modern and well-equipped with; ultrasound, digital x-ray, endoscopy, K laser, hydrotherapy treadmill and orthopaedic equipment.

We strive to treat our patients as we would our own family. Our core values are strongly ingrained into the running of the practice, these are very important to us as a team and to our clients;

- Standing up for what is right – putting the animal first
- Going the extra mile, willing to do whatever it takes
- Being the best that we can be
- Providing transparency, honesty and loyalty
- Working in harmony with each other
- Offering patience, kindness and understanding

You can learn a little about our beautiful Island here in this short video:

THE ROLE

Consulting and performing surgery on a daily basis in our very clean and well-equipped practice. 4 day week with an equally shared fully supported out of hours on call rota.

SUCCESSFUL CANDIDATE

An enthusiastic team player with a good sense of humour, friendly, good communication skills and someone that enjoys a healthy work-life balance. Our well-established client base continues to expand and we would like to find someone to join our practice and settle here to continue to provide a high level of care and service to our clients.

With our equipment, facilities and highly skilled nursing team an interest or certificate in orthopaedics would be welcomed however not compulsory for the position.

THE PACKAGE

Competitive salary package, vehicle and accommodation available, relocation paid, CPD £1200-1500 pa, orthopaedic certificate funded for right candidate.
