

## Whitehouse Veterinary Clinic - Derry City / Donegal Border Practice

We have 3 positions for veterinary surgeons available

1. Senior Mixed Animal Vet
2. Large Animal Vet
3. Small Animal Vet

These roles are to join our team of 18 veterinary surgeons in an ever-expanding market. We have a newly refurbished hospital, with top of the range equipment. The position is based within a young and friendly team with the potential for further career progression. We work in a beautiful part of the country covering the counties of Derry/Londonderry and Donegal. Easy access to Belfast and Dublin and within 1.5 hours of the North Antrim Coast.

We are a friendly, progressive practice with an emphasis on routine work and preventative health planning to offer our clients the best possible service for our businesses. Our small animal business is rapidly expanding. The vets within our practice have a huge level of knowledge and expertise, they are also very supportive. We offer all new graduates a 2-year fully supported training academy which includes all expenses paid.

The practice has a shared SA out of hours rota. We also have a separate shared LA out of hours rota.
