

Companion Animal Veterinary Surgeon

Riverview Veterinary Group (RVG) seeks to appoint an experienced companion animal veterinary surgeon who will be primarily based at our VCI accredited hospital in Bandon (only 20 minutes from Cork city). Extra skills and qualifications, particularly so in diagnostics/ultrasonography would be an advantage. While this is a full-time position, flexibility in working arrangements or part time options may be considered.

Full laboratory, ultrasound, digital X ray and dentistry facilities provided. Minimal OOH, shared equally amongst our companion animal teams at our other hospital locations in Kinsale, Ballincollig and Carrigaline. Remuneration commensurate with experience, inclusive of VDS, VCI, Veterinary Ireland with CPD funded and encouraged.

This is a great opportunity to work with other colleagues specializing in referral orthopaedics, internal medicine and exotics amongst others. CV to michaelfsexton@gmail.com or msexton@riverview.ie
